Announcing our first "Showcase Your Shop" Creator Contest Winner!

Congratulations to IMVU Creator Vues for being our first "Showcase Your Shop" Contest Winner!

We will be announcing TWO MORE WINNERS in the days to come, so stay tuned!

We love Vues fashion-forward style. Their unique catalog (https://www.imvu.com/shop/web_search.php?manufacturers_id=246798438) showcases compelling, out-of-the-ordinary products for IMVU members who want to stand out from the crowd.

As a winner of the contest, Vues receives a FREE Creator Ad campaign (im.vu/creatorad), valued at 100,000 Developer Tokens or 1,000,000 Credits. Creator Ads are designed to help Creators take their IMVU business to the next level. These ads are seen by more than 100,000 IMVU users, driving awareness to a Creator's IMVU shop, and allowing their creations to be shopped by more of IMVU.

Creator Nava, recently shared his experience with Creator Ads, describing how he was able to connect with an entirely new audience, helping, "solidify NAVA as its own quality brand, professionally displayed amongst other Creators with exceptional skills." In Nava's own words, "I continue to get messages from people who have found me from the ads, telling me 'I love your products,' That's always surprising and and an awesome experience." Take a look at this Case Study to learn more about NAVA's experience (im.vu/casestudynava).

Congratulations once again, Vues! Excellent work!
